Dear Mr. Pascale,

I am pleased to submit for the West Haven City Council's consideration a request that the City of West Haven (the "City") sell North End Field, a 3.2-acre City-owned former playground (comprising a 0.58-acre property located at 1101 Campbell Avenue and the 2.60-acre former Baggott Street Playground), to the University of New Haven ("UNH") for five hundred thousand dollars (\$500,000). This sale will provide the City with several benefits, including ensuring that the property remains clean and secure, supporting UNH's planned redevelopment of its recently purchased Railroad Salvage site into a research, innovation, and business complex, generating one-time revenue for fiscal purposes, and returning the property to partial ongoing taxability (due to the state's PILOT program, which provides only limited real property tax reimbursement for university-owned properties) on the West Haven Grand List.

Thank you for considering this request at your earliest convenience. Please let me know if you or your colleagues have any questions or need further information from me or any members of my administration prior to considering this request. In the meantime, I respectfully would ask that you promptly refer this request to the West Haven Planning & Zoning Commission for an advisory report which I understand you will need, pursuant to Connecticut General Statutes Section 8-24, to consider fully my request at an upcoming City Council meeting.

Sincerely,

Dorinda Borer
