CHAPTER 97 FAIR RENT COMMISSION**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WEST HAVEN, Chapter 97 of the Code of the City of West Haven is hereby amended to read as follows:

Chapter 97

Fair Rent Commission

§ 97-1. Establishment.

Pursuant to Sections 7-148b through 7-148f of the General Statutes of Connecticut, there is hereby created a Fair Rent Commission in the City of West Haven with full powers and authority granted to it by the General Statutes of Connecticut as may be amended.

§ 97-2. Appointment; membership; term; vacancy.

The Mayor shall appoint a Fair Rent Commission, which shall be comprised of seven regular members and two alternate members, who shall be electors of the City of West Haven for at least one year. The membership of said Commission shall include two landlords and two tenants. The alternates shall be either one landlord and one tenant or two electors who are neither landlords nor tenants. If a regular member is absent at a meeting of the Commission, the Chair shall appoint one alternate present to sit as a full voting member of the commission at that meeting in place of that absent regular member. Of the regular members first appointed, four shall serve for terms of two years, and three shall serve for terms of one year. The alternates shall serve for terms of two years. Thereafter, members shall be appointed for terms of two years each to replace those whose terms expire. Of its regular membership of seven, there shall be no more than four members of the same political party. Vacancies shall be filled in the manner of original appointment for the unexpired portion of the term. Any member may be reappointed for an additional term in the manner of original appointment.

§ 97-3. Officers; rules for conduct.

Members of the Commission shall elect a Chairman, Vice-Chairman and a Secretary for a period of one year. The Commission shall have the power to adopt rules and regulations for the conduct of business within its jurisdiction and shall keep a record of all its proceedings. The Commission may, in its discretion, appoint an Executive Director.

A quorum for any meeting shall consist of at least four members of the Commission, or their appointed alternates. In any hearing on a complaint concerning an excessive rental charge, the Commission shall not conduct the hearing unless there are at least four members or their alternates present, and the Commission shall not order any rent reduction or make any determination that rent is so excessive as to be harsh and unconscionable, except on the concurring vote of at least four voting members present at said hearing.

§ 97-4. Powers.

A. The Commission shall have the power to make studies and investigations, conduct hearings and receive complaints relative to rental charges on housing accommodations, except those accommodations rented on a seasonal basis, within the City of West Haven in order to control or eliminate excessive rent charges on such accommodations and carry out the provisions of this chapter. The Commission, for such purposes, may compel the attendance of persons at hearings, issue subpoenas and administer oaths, issue orders and continue, review, amend, terminate or suspend any of its orders and decisions. The Commission may also dismiss the complaint. [NOTE: For purposes of this subsection, "seasonal basis" means housing accommodations rented for a period or periods aggregating not more than 120 days in any one calendar year.]

B. The Commission may attempt, through the process of informal conciliation and negotiation between a complaining tenant and landlord, to arrive at a rental agreement which is mutually acceptable to said tenant and landlord before initiating the formal hearing process. No formal or informal hearing shall be held less than 10 days from the mailing date of a notice of such hearing to the landlord or an agent of such landlord, at which he may be represented by counsel.

C. The designated members of the Commission shall have the power to meet with the parties, if the parties consent, on an informal basis in a session closed to the public to attempt to reconcile the differences between the parties but shall receive no formal evidence nor make any decision thereon. Any agreement between the parties as a result of said informal conference must be in writing and fully enforceable by the Commission. The

informal meeting shall be conducted by two members of the Commission appointed by the Chairman. The Commission members so assigned shall take no part at a formal hearing, if any, thereafter held on the case.

§ 97-5. Authority to order rent reductions.

A. If the Commission determines, after a hearing, that rent charges for any housing accommodations are so excessive, based on the standards and criteria set forth in Subsection B of this section, as to be harsh and unconscionable, it may order a reduction in rent to such amount as it determines to be fair and equitable. If the Commission determines, after a hearing, that the housing accommodations in question fail to comply with any municipal ordinance or state statute or regulations relating to health and safety, it may order the suspension of further payment of rent by the tenant until such time as the landlord makes the necessary changes, repairs or installations so as to bring such housing accommodation into compliance with such ordinance, statute or regulation. The rent during said period shall be paid to the Commission to be held in escrow. The Commission may refer the matter to the appropriate city agency or the law enforcement authorities for enforcement of the appropriate West Haven Municipal Ordinance, Connecticut General Statute, or state regulation relating to health and safety.

B. In making determinations as to whether a rental charge is excessive, the Commission shall give due consideration to the following:

- (1) Rent charged for the same number of rooms in other housing accommodations in the same and in other areas in the city.
- (2) The sanitary conditions existing in the housing accommodations in question.
- (3) The income of the tenant and the availability of other accommodations.
- (4) The services, furniture, furnishings and equipment supplied within said housing accommodations by the landlord.
- (5) The size and number of bedrooms, closets, and whole bathrooms contained therein.
- (6) Repairs necessary to make such accommodations reasonably livable for the occupants therein.
- (7) The amount of taxes and overhead expenses to the landlord.
- (8) Annual return and profits of the landlord's investments.
- (9) The availability of utilities.
- (10) Damages done to the premises by the tenant which are not the result of ordinary wear and tear.
- (11) Whether the accommodations are in compliance with the ordinances of the municipality and the Connecticut General Statutes relating to health and safety.
- (12) The amount and frequency of increases in rental charges.
- (13) Whether, and the extent to which, the income from an increase in rental charges has been or will be reinvested in improvements to the accommodation.

97-5.5 Eligibility to file complaint

Any tenant residing in the City of West Haven shall be eligible to file a complaint with the Commission. It shall be an affirmative defense to any complaint that the tenant is delinquent in the payment of the rent or is responsible for damage or other adverse conditions existing within the leasehold premises. If the Commission finds either: 1) that the reason for the tenant's delinquency was a harsh and unconscionable rent; or 2) or that the delinquency is the result of exceptional hardship, then it shall not be constructed to give the Commission the power to waive any amount of past rent which is due nor to make any retroactive order. The commission shall not conduct a hearing on any complaint of any tenant who it finds is bringing the complaint for the purpose of harassing, annoying or embarrassing the landlord, or upon the complaint of any tenant who it finds is using the procedures of the Commission with the intent to delay or defeat a summary process action.

§ 97-6. Effective date of rent reduction.

The Commission shall not have the power to make any rent reduction retroactive to a date prior to the date that a complaint was filed. Any rent reduction shall become effective on the next date that such rent is due payable to the landlord following the date of the Commission's decision.

The Commission shall review any complaint filed by a tenant no later than 30 days after the date of the filing of said complaint. The Commission shall render and make available its decision within 15 days of the completion of the hearing unless an extension is warranted and voted favorably upon by Commission in any case involving unusual hardship or administrative difficulties.

§ 97-7. Penalties for offenses.

Any person who violates any rent reduction or rent suspension ordered by this Commission by demanding, accepting, or receiving an amount in excess thereof while such order remains in effect; or who violates any other provision of this chapter and Section 47a-20 of the Connecticut General Statutes; or who refuses to obey any subpoena, order or decision of the Commission pursuant thereto, may be fined not less than \$25 nor more than \$100 for each offense. If such an offense continues for more than five days, it shall constitute a new offense for each day such violation or refusal continues to exist thereafter. The Superior Court shall have jurisdiction to hear and enforce all matters relating to violations under said sections.

Editor's Note: Amended at time of adoption of Code; see Ch. 1, General Provisions, Art. I.

§ 97-8. Appeals.

Any person aggrieved by any order of the Commission may appeal to the Housing Court for the Judicial District of New Haven. To the extent provided by the Connecticut General Statutes, such appeal shall be considered as a privileged matter with respect to the order of trial. Any appeal under this section shall be determined on the record of the Commission and shall be limited to the issue of whether the Commission acted arbitrarily, illegally or in abuse of its discretion. Unless otherwise directed by the Commission or the Court, the filing of an appeal shall not stay any order issued by the Commission.

**AN ORDINANCE AMENDING THE CODE OF THE CITY OF WEST HAVEN
CHAPTER 206 - STREETS AND SIDEWALKS – ADOPTING ARTICLE VIII –
AUTOMATED TRAFFIC ENFORCEMENT SAFETY DEVICES**

Pursuant to the authority granted by Connecticut General Statutes Section 14-307c, Chapter 206 of the Code of the City of West Haven is hereby amended to add Article VIII - Automated Traffic Enforcement Safety Devices, follows:

ARTICLE VIII

Automated Traffic Enforcement Safety Devices

Sec. 206-54. Use of automated traffic enforcement safety devices.

The City of West Haven hereby authorizes the use of automated traffic enforcement safety devices at locations within school zones, pedestrian safety zones, and other places within the City of West Haven. In accordance with C.G.S. Section 14-307c, prior to implementation of the use of automated traffic enforcement safety devices, the West Haven Board of Police Commissioners shall adopt a plan designating the location for such devices, and shall hold a public hearing for the purpose of receiving public comment on such plan and locations. The Board of Police Commissioners may from time to time amend and modify such plan to add new locations, and shall hold public hearings for the purpose of receiving public comment on such locations. The adoption of the plan designating locations for such devices, and any subsequent amendments thereto, shall require approval by the City Council and the Connecticut Department of Transportation pursuant to the provisions of C.G.S. Section 307e.

Sec. 206-55. Definitions.

The following words, terms, and phrases, when used in this ordinance, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Automated traffic enforcement safety device ("ATESD" or "ATESDs") shall mean a device or devices designed to detect and collect evidence of alleged traffic violations by recording images that capture the number plate, date, time, and location of a motor vehicle that (i) exceeds the posted speed limit by ten (10) or more miles per hour or (ii) fails to stop when facing a steady red signal on a traffic control signal.

Automated traffic enforcement safety device operator ("ATESD Operator") shall mean a person who is trained and certified to operate an ATESD.

Motor Vehicle shall have the same meaning as provided in C.G.S. Section 14-1 (60).

Number plate shall mean any sign or marker furnished by the Commissioner of Motor Vehicles on which is displayed the registration number assigned to a motor vehicle by the Commissioner.

Owner shall mean any person holding title to a motor vehicle or having the legal right to register the same.

Pedestrian safety zone shall mean an area designated by the Office of State Traffic Administration or the traffic authority of the City pursuant to C.G.S. Section 14-307a.

Personally identifiable information shall mean information created or maintained by the City or a vendor that identifies or describes an owner and includes, but need not be limited to, the owner's address, telephone number, number plate, photograph, bank account information, credit card number, debit card number, or the date, time, location, or direction of travel on a highway.

School zone shall mean an area designated by the Office of State Traffic Administration or the traffic authority of the City pursuant to C.G.S. Section 14-212b.

Traffic authority, and **traffic control signal** shall all have the same meanings as provided in C.G.S. Section 14-297.

Vendor shall mean a person who provides services to the City under this ordinance; operates, maintains, leases, or licenses an ATESD; or is authorized to review and assemble the recorded images captured by an ATESD and forward such recorded images to the City.

Sec. 206-56. Contractual Services.

The City may enter into agreements with vendors for the design, installation, operation, or maintenance, or any combination thereof, of ATESDs. If a vendor designs, installs, operates, or maintains an ATESD, the vendor's fees may not be contingent on the number of citations issued or fines paid pursuant to this ordinance.

Sec. 206-57. Operation of automated traffic enforcement safety device.

All ATESDs shall be operated by an ATESD operator.

Sec. 206-58. Violations.

- A. The owner of a motor vehicle commits a violation of this ordinance if the person operating such motor vehicle:
 - (1) Exceeds the posted speed limit by ten (10) or more miles per hour and such operation is detected by an ATESD; or
 - (2) Fails to stop such motor vehicle when facing a steady red signal on a traffic control signal and such failure is detected by an ATESD.
- B. Automated traffic enforcement safety devices shall be used solely for identifying violations of this ordinance.
- C. For the first thirty (30) days after a location is equipped with an operational ATESD, the owner of a motor vehicle that is allegedly detected by such device to be in

violation of this ordinance shall receive a written warning instead of a citation.

Sec. 206-59. Citation for violation.

- A. Whenever an ATESD detects and produces recorded images of a motor vehicle allegedly committing a violation of this ordinance, a sworn member or employee of the West Haven Police Department so authorized and certified, shall review and approve the recorded images provided by such device. If, after such review, a determination is made that there are reasonable grounds to believe that a violation occurred, a citation shall be issued by first class mail to the owner of such motor vehicle pursuant to C.G.S. Section 14-307c, and shall include the following:
- (1) The name and address of the owner of the motor vehicle;
 - (2) The number plate of the motor vehicle;
 - (3) The violation charged;
 - (4) The location of the ATESD and the date and time of the violation;
 - (5) A copy of, or information on how to view through electronic means, the recorded images that captured the alleged violation;
 - (6) A statement or electronically generated affirmation by the member or employee who viewed the recorded images and determined that a violation occurred;
 - (7) Verification that the ATESD was operating correctly at the time of the alleged violation and the date of the most recent calibration check performed pursuant to C.G.S. Section 14-307c;
 - (8) The amount of the fine imposed and how to pay such fine; and
 - (9) The right to contest the violation and request a hearing pursuant to C.G.S. Section 7-152c.
- B. In the case of an alleged violation involving a motor vehicle registered in Connecticut, the citation shall be sent by first-class mail not later than thirty (30) days after the identity of the owner of the motor vehicle is determined and shall be mailed to the address of the owner that is in the records of the Department of Motor Vehicles. In the case of an alleged violation involving a motor vehicle registered in another jurisdiction, the citation shall be sent by first class mail not later than thirty (30) days after the identity of the owner is determined and shall be mailed to the address of the owner that is in the records of the official in the other jurisdiction issuing such registration.
- C. A citation shall be invalid unless mailed to an owner not later than sixty (60) days after the alleged violation.

Sec. 206-60. Fine for violation.

The City shall impose a fine against the owner of a motor vehicle that commits a violation of this ordinance. The fine for a first violation of this ordinance shall be fifty dollars (\$50.00). The fine for each subsequent violation of this ordinance that occurs within one year of the date of the owner's most recent violation shall be seventy-five dollars (\$75.00). Any subsequent violation occurring more than one year after the owner's most recent violation shall be treated as a first violation. These fines shall be imposed against the owner of the motor vehicle committing a violation of this ordinance. Payment of a fine and any associated fees may be made by electronic means. A reasonable fee, not to exceed fifteen dollars (\$15.00), may be imposed for the costs associated with the electronic processing of the payment of a fine. Any funds received by the City from fines imposed pursuant to this ordinance shall be used for the purposes of improving transportation mobility, investing in transportation infrastructure improvements, traffic safety or paying the costs associated with the use of ATESDs within the City.

Sec. 206-61. Citation hearing.

Any owner that has been issued a citation for violation of this ordinance has the right to a citation hearing in accordance with the procedures delineated in C.G.S. Section 7-152c. Citation hearings shall be conducted by citation hearing officers appointed by the Mayor. If the cited person does not demand a hearing, judgment shall be entered against him/her without further notice, and the cited person shall be deemed to have admitted liability. The cited person may contest his liability within ten (10) days of the citation being issued by delivering in person or by mail written notice of his/her request to have a citation hearing. The citation hearing shall be held not less than fifteen (15) days nor more than thirty (30) days from the date of the mailing of the notice wherein all testimony is to be given under oath or affirmation in a fair and appropriate form. The decision of the citation officer shall be rendered upon the end of the hearing. If the determination is made that the person cited is not liable, the matter shall be dismissed. If the determination is made that the person cited is liable for the citation, the citation officer shall assess fines, penalties, costs, and fees. If the cited person fails to appear at the requested citation hearing, the hearing officer may enter an assessment by default.

Sec. 206-62. Appeal.

A person against whom an assessment has been entered is entitled to judicial review by way of appeal that must be instituted within thirty (30) days of the mailing of the notice of such assessment, in accordance with C.G.S. Section 7-152c(g).

Sec. 206-63. Defenses.

The defenses available to the owner of a motor vehicle that is alleged to have committed a violation of this ordinance shall include, but are not limited to, any one or more of the following:

- (1) The operator was driving an emergency vehicle in accordance with the applicable provisions of C.G.S. Section 14-283.
- (2) The traffic control signal was inoperative, which is observable on the recorded images.
- (3) The violation was necessary for the operator to comply with an order or direction from a law enforcement officer, which is observable on the recorded images.

- (4) The violation was necessary to allow the passage of an authorized emergency vehicle, which is observable on the recorded images.
- (5) The violation took place during a period of time in which the motor vehicle had been reported as being stolen to a law enforcement unit, as defined in C.G.S. Section 7-294a, and had not yet been recovered prior to the time of the violation.
- (6) The ATESD was not in compliance with the calibration check required pursuant to the applicable provisions of the General Statutes.

Sec. 206-54. Disclosure of personally identifiable information.

No personally identifiable information shall be disclosed by the City or a vendor to any person or entity, including any law enforcement unit, except where the disclosure is made in connection with the charging, collection, and enforcement of the fines imposed pursuant to this ordinance. No personally identifiable information shall be stored or retained by the City or a vendor unless such information is necessary for the charging, collection, and enforcement of the fines imposed pursuant to this ordinance. The City or a vendor shall destroy all personally identifiable information and other data that specifically identifies a motor vehicle and relates to a violation of this ordinance not later than thirty (30) days after any fine is collected or the resolution of a hearing conducted for the alleged commission of such violation, whichever is later. Any information and other data gathered from ATESDs shall be subject to disclosure under the Freedom of Information Act, as defined in C.G.S. Section 1-200, except that no personally identifiable information may be disclosed.

Sec. 206-55. Severability.

If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be invalid or unconstitutional by any decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this ordinance.
