Sgt Ciccocanti and Office Costanzo discussed the issue of enforcement. They will compile a list of needed signage for the lots and Officer Costanzo will contact the New Haven Police Dept to get info re: combing the delinquent tax list and traffic tickets in a data base for better collections of unpaid tickets.

A general discussion of problems and opportunities were reviewed. No votes were taken and the meeting ended at 3:02 pm.

A meeting schedule was formulated and will be posted in the City Clerk's office and on the city web site. Although the committee will have a public session at each meeting a "public meeting" has been scheduled for Feb 4TH at 7 PM so the committee can solicit further public input.
