Due to the unexpected number of members of the public who wish to speak and due to the public health concern regarding the Covid-19 virus, the Board of Police Commissioners meeting is being postponed until proper protocols can be put into place. We are required to record individual temperatures and allow for social distancing. Currently the Police Department is closed to the public as are all City buildings. We have contacted the City Attorney and on his advice we will post any rescheduling of the meeting once we can ensure the public's safety and allow for public input.
