

Mayoral Statement

Official Statement

Nancy R. Rossi
Mayor, City of West Haven

As Mayor, I offer my sincerest apology to all city employees who did not receive their direct deposit on Friday, March 13. The situation is troubling and inexcusable. I have directed an investigation into the matter, as this is not the first time there has been a problem with direct deposit or the overall payroll operation. If it is revealed that this situation was caused by an intentional action by a city employee, swift and harsh discipline will result, including, but not limited to, termination of employment. I have also made arrangements for the reimbursement to employees of any bank fees related to the delayed direct deposits. Please email all supporting documentation to the Finance Director and copy me. We are taking the necessary steps to ensure that we have controls in place so this never happens again.
