**Mayor, City of West Haven**

## **Mayor Rossi Statement on Michael A. DiMassa**

**WEST HAVEN**, Nov. 1, 2022 — Mayor Nancy R. Rossi has released a statement on former city employee and Democratic state Rep. Michael A. DiMassa.

“Hopefully now that Mr. DiMassa and two others have pleaded guilty, leaving only one person left who has pleaded not guilty, the city of West Haven will be able to move forward.

Since these incidents happened, there are many additional internal controls in place. There have also been many changes in personnel in Finance and other departments.

West Haven is trying to put this behind us and move forward. Within the last week, the city has had ribbon-cuttings for two new businesses, 7-Eleven and Castro Oasis Auto Care, and more businesses are coming. West Haven is a great place to live, work and open a business. Let’s move forward!”
